Classic Tour 2020 - Regulations

THE EVENT

1. Lindholme Motor Sports Club (Doncaster) will organise the Lindholme Classic Tour - a Touring Assembly - on **Sunday 17 May 2020**
2. The event will be held under a Certificate of Exemption issued by Motorsport UK, these Regulations & any written instructions that the organisers may issue for the event. The Motorsport UK Permit/Certificate of Exemption for this event is no. **115497**.

ELIGIBILITY

3. **The event is open to all cars, but historics, classics and interesting or sporting modern cars would be especially welcome.**
4. All cars should be presented in good condition: the Organisers reserve the right to decline any car showing damage. Each car must be taxed for the road, and have a valid MOT Certificate if applicable.
5. Participating cars will be identified by a Tour Plate, which will be supplied by the organisers. This should be displayed in prominent forward facing position on the front of the vehicle. The organisers reserve the right to exclude any vehicle which, in their opinion, is unsuitable for participation of the Tour. Cars must not carry any competition numbers anywhere on the vehicle.

INSURANCE

6. All entrants must ensure that their cars have adequate insurance to enter the event. This being a Touring Assembly with a Motorsport UK Certificate of Exemption, their Public Liability Policy covers the event. However, this does not cover vehicle insurance under the Road Traffic Acts. A standard motor car policy may well cover the use of the car on a public highway. If in doubt, please seek advice from your insurance company.

ENTRIES

7. Entries open on publication of these Regulations, and close on Tuesday 12 May 2020. All entries must be made on the official entry form and be accompanied by the entry fee of **£30** for two people travelling in the car. Please add **£10** for each additional person. The entry fee includes one Road Book, one souvenir Rally Plate, two souvenir pens, two subsidies for Breakfast costs and two free Teas & Cakes at the Finish.
8. Entry Forms and fees should be sent to the Secretary of the Meeting. (See paragraph 16) Please make cheques payable to **Lindholme Motor Sports Club**. BACs payments can be made: contact the Secretary for the Sort Code and Account number. **Make your surname clear as the Payee**. The Entry Form can then be emailed or posted to the Secretary (not by phone-photo, please).
9. The maximum number of cars on the event is 60. The minimum is 20. Should the minimum figure not be reached, the organisers reserve the right to cancel the event and refund entry fees in full. If an entrant particularly wants to run close to a friend/colleague, then this should be noted on the entry form, and we will do our best to accommodate you.
10. Each entry will be **acknowledged by email** unless you indicate preference for post on the Entry Form. The cost of entries withdrawn in writing received prior to Tuesday 12 May will be refunded in full. Thereafter, refunds will be at the Organisers' discretion.
11. Final Instructions will be issued not later than 5 days before the Tour, by email or post as requested.

DOCUMENTATION

12. Cars & crews should arrive at the Start ("The Motorist") from 09.00 am and no later than 1 hour before their due start time (which will be advised in Final Instructions). Follow the signs to the dedicated parking area. You will have time to "Sign On", get your breakfast items, and

chat to fellow Tourists. After Signing On, crews will be issued with a Tour Pack, containing the Road Book, Tour Plate, and other items.

ROUTE

13. Start and Finish: The Motorist (Servicing, Showroom & Cafe) New Lennerton Lane, Sherburn in Elmet, Leeds LS25 6JE Map 105/527332

A varied menu of breakfast items will be available. Rather than trying to guess what you want, there will be a subsidy to offset the cost of what you choose.

The first car will leave at 10.30 am. Cars will start at one minute intervals to avoid bunching, **and must proceed very quietly along New Lennerton Lane.**

At the **Finish**, Tea/Coffee & Cakes will be served - included within your entry fee.

There is no Midway Halt. Around midday on Sundays, suitable premises are often very busy. The Road Book will suggest a couple of places for a quick "pit stop" if you require one.

14. The route will cover approximately 80 miles on asphalt roads in North, South and West Yorkshire. The route will be given in an easy to follow "Tulip" Road Book, and should take you around 4 hours at a steady pace. Some entrants may like to follow their progress on Ordnance Survey Landranger maps 105, 106 and 111. Maps are NOT needed to complete the route. The Road Book will also contain tourist information of note, and some (optional) observation quiz questions.

15. As ever, please be mindful of other road users, particularly cyclists, horse riders and walkers. There is no average speed to keep to: don't speed, but don't dawdle either! Please avoid driving along in convoys.
