

LINDHOLME MOTOR SPORTS CLUB

CLASSIC TOUR: 25 July 2021

FINAL INSTRUCTIONS

Many thanks for your entry on the 2021 Tour. **The Motorsport UK Event Permit/Certificate of Exemption is Number 120472.** Please see the attached Entry List/Running Order for your start number. Car 1 will start at 10.31, with the rest at one minute intervals. You will be able to work out your own start time from this.

Crews should arrive at the Start from 08.45am onwards, and no later than one hour before their due start time. **Start: The Motorist**, New Lennerton Lane, Sherburn in Elmet, Leeds LS25 6JE Map 105/525330. Show the gate staff your event pass (a copy of the Tour Plate, sent by email). Follow the LMSC arrows and directions of marshals to park your car. **If driver and navigator are arriving separately, you may leave a car at The Motorist whilst you do the tour.** Ask a marshal on site for the parking location.

A range of breakfast items will be on sale at The Blue Train Cafe.

Find Len's white Subaru Forester and collect your **Road Book pack**. This contains your **Tour Plate**, to be affixed at the front of the car, as upright as you can – it shows up better in the photos! Two long cable ties will be provided for fixing, but see us if you need more. It's good idea to bring some scissors to cut the spare ends of the cable ties. Alternatively, bring some plastic tape as a fixing method for the plate. **The pack also contains your vouchers for refreshments at the Finish, and two pens.**

Event Schedule:

These timings are based on an average speed of approx. 20 mph. However, you will have plenty of time to stop and admire the view, take a photo, or spot the observation answers – this is not a race or rally!

- 08.45 Start parking area opens
- 09.00 Road Book collection begins. Breakfast service in the Cafe
- 10.31 First car leaves The Motorist. Zero your trip meter at the exit gate
- 14.00 First car due at Finish
Refreshments available – included in the entry fee.

The total route is approx 80 miles, mainly on quiet country roads. The **Roadbook** will give you all the route directions, in an easy to follow format. If you are not familiar with "**Tulip**" diagrams, we can offer further help if you contact us. Essentially, they are just little diagrams of road junctions, which show you which way to turn, with distances between them. As you drive along, "carry straight on" junctions are mostly ignored, although we have put a few in for greater clarity. Total and interval mileages are given. Occasionally, an LMSC arrow may aid your route finding: some junctions have no signs there at all!

Tourist notes are included, to point out features of interest. If you want to have a go at the **observation quiz**, the answers may be written into the road book, and copied onto the Answer Sheet if you want to hand them in for checking – this makes the marking easier. A few Answer Copies will be available as well.

The Running Order list has tried to respond to those who want to run in proximity to the cars of friends. If you want to wait for any other car, meet up along New Lennerton Lane, but not anywhere near the houses close to the main road. **Please do not travel the route in long convoys: 2 or 3 cars are enough.**

As you drive along, please be mindful of other road users, such as farm vehicles, cyclists, horse riders and pedestrians. If you are looking for a quiz answer, don't obstruct other vehicles. We have included some safety notes at a few points of the route, and please take extra care with all right turns. If you have any car-related problems, please phone Len or Ian on the mobile numbers shown below. Len will not be following the route; Ian and Gwen will be in the Course Opening car.

There is no Midway Halt, but the road book suggests a couple of points to stop if you wish. There are two filling stations on the route – at 52 and 72 miles. They are noted in the Road Book.

Finish: The Motorist

Tea/coffee and a cake or scone will be served in the clubhouse - included within your entry fee. Copy out your Observation Quiz answers onto the Answer Sheet if you want us to mark them.

Lindholme MSC is supporting FIREFLY as our chosen charity in 2021. A raffle will be held at the start, with first prize being a free entry on the 2022 LCT. If you happen to have something to donate as a prize, please bring it along. There will be collecting tins around should you wish to make a donation.

Official Photographer:

Chris Andrews

Send an email to him at CHRISANDREWS81@BTINTERNET.COM **07513 468234**

If you would like him to send you some photos. Tell him make/model/colour/reg. no. of your car.

Organisers' mobile phone numbers:

Len Fowkes - Secretary of the Meeting: 07716 292464

Back-up phone (Jan) - 07762 429712

Ian Beech (who devised the route) - Course Opener: 07803 017164

We hope you have a great day. If you have any queries – please ask.

Len Fowkes and Ian Beech
