

LINDHOLME MOTOR SPORTS CLUB

DIAMOND TOUR: Sun 31 AUGUST 2025

FINAL INSTRUCTIONS

Many thanks for your entry on the 2025 Diamond Tour. **The Motorsport UK Event Permit/Certificate of Exemption is Number 203945.** Please see the attached Seeded Entry List/Running Order for your start number. Car 1 will start at 10.31, with the rest at one-minute intervals. You will be able to work out your own start time from this. There is no timing, so the one-minute gaps are purely to space cars out a bit.

Crews should arrive at the Start from 09.00am onwards, and no later than one hour before their due start time. **Start: RAF Snaith Museum, Long Lane, Pollington, DN14 0DF.**
Please note that the Museum is not actually in Snaith!

What3 Words – [///grin.regal.throw](https://www.what3words.com/grin.regal.throw)

Directions- From West-J34 M62 take A19 towards Selby. At 1st roundabout take A645 to Goole. Follow road for 4 miles and turn right on to Long Lane (signposted POLLINGTON) Museum is on the left in ¾ mile.
From East-J36 M62 take A614 towards Rawcliffe. Follow to 2nd roundabout then take A1041 to Selby. At next roundabout take A645 to Pontefract. Follow road for 1 ¼ miles and turn left on to Long Lane (signposted POLLINGTON) Museum is on the left in ¾ mile.

Follow the LMSC arrows and directions of marshals to park your car. **If the driver and navigator are arriving separately, you may leave a car at the Museum whilst you do the tour.**

Find Len's car "office" with LMSC banner (in the Museum if it's raining) to collect your **Road Book pack**. This contains your **Tour Plate**, to be affixed at the front of the car, as upright as you can – it shows up better in the photos! Long cable ties will be provided for fixing. It's a good idea to bring some scissors to cut the spare ends of the cable ties. Alternatively, bring some tape as a fixing method for the plate.

Please put the **LMSC 60th sticker** on the front windscreen as if it is a tax disc (remember them?!)

The pack also contains your vouchers for entry into the Museum/ refreshments at the Finish, and two pens.

Breakfast items will be on sale at the **Museum NAAFI**.

Event Schedule:

These timings are based on an average speed of approx. 20 mph. However, you will have plenty of time to stop and admire the view, take a photo, or spot the observation answers – this is not a race or rally!

09.00 Start parking area opens

09.00 Road Book collection begins. Breakfast service.

10.31 First car leaves RAF Snaith Museum. Zero your trip meter at the exit gate

14.30 First car due at Finish
Refreshments available – included in the entry fee

The total route is 82 miles, mainly on quiet country roads. The **Road Book** will give you all the route directions, in an easy-to-follow format. If you are not familiar with **"Tulip" diagrams**, we can offer further help if you contact us. Essentially, they are just little diagrams of road junctions, which show you which way to

turn, with distances between them. As you drive along, “carry straight on” junctions are mostly ignored, although we have put a few in for greater clarity. Total and interval mileages are given. Occasionally, an LMSC orange arrow may aid your route finding: some junctions have no signs there at all! NO MAPS are required but if you want to put the route on a map then **OS Landranger 105 and 106** are required.

What3 Words references are at the top of each page of the Road Book, and refer to the first “tulip” on that page. This may help you to get back on the route if you get lost!

Tourist notes are included, to point out features of interest. If you want to have a go at the **observation quiz**, the answers may be written into the road book. Answer copies will be around at the Finish if you want to mark your own homework!

The Running Order list is based on the order of receipt of entries. For those who want to run in proximity to the cars of friends, just approach the start behind the early placed car and we will slot you in. **Please do not travel the route in long convoys: 2 or 3 cars are enough.**

As you drive along, please be mindful of other road users, such as farm vehicles, cyclists, horse riders and pedestrians. If you are looking for a quiz answer, don’t obstruct other vehicles. We have included some safety notes at a few points of the route, and please take extra care with all right turns. If you have any car-related problems, please phone Ian or Chris on the mobile numbers shown below. Len will not be following the route.

There is no Midway Halt.

Finish: RAF Snaith Museum. Go into the car park area used at the Start.

Tea/coffee and cakes will be served in the NAAFI. They are included within your entry fee.

Official Photographer: Chris Andrews

Send an email to him at CHRISANDREWS81@BTINTERNET.COM **07513 468234**

if you would like him to send you some photos. Tell him make/model/colour/reg. no. of your car.

We hope to get some photos on the Facebook page.

Organisers’ mobile phone numbers:

Ian Beech – Course Opener: 07803 017164

Len Fowkes - Secretary of the Meeting: 07419 837598

Chris Brown - Course Closer: 07773 495025

We hope you have a great day. If you have any queries – please ask.

Ian Beech and Len Fowkes
